with Chuck Durrett & Katie McCamant

March 10th and 11th, 2012

From dream to reality.

Do you want to live in cohousing? Make it happen!

This workshop works! It saves money and *years* of delays.

Members

Learn how to:

- Organize your group
- Work together efficiently
- Effectively make decisions
- Build and grow your community
- Define your role, the Group's role, the role of Professionals

Development

Get vital guidance for:

- Finding a building site
- Designing a community
- Working through the city approval process
- Hiring and managing construction professionals
- Incorporating maximum sustainability practices

Technical

Take control of:

- Financial realities
- Financing options
- Ownership structures
- Your project. Keep it *on track* and *on budget*.

Katie McCamant and Chuck Durrett of

The CoHousing Company / McCamant & Durrett Architect,

brought cohousing to North America, and have 20 years of experience getting cohousing built.

Early registration is recommended, as workshop size is limited to 30 people. Early registration is \$300 (through February 9th), and then will increase to \$350. An additional discount of \$50 is available for the second member of your household (spouse, partner, etc.)

We look forward to the opportunity to work with you and your community. With this workshop, we will get it built.

Workshop Location: *The Community Room*
